ROOM TYPE: 3 bedroom BR01

Big Bear 01 is a spacious 3-bedroom, 2-bath property that accommodates up to 8 guests with approximately 1550 square feet. The 8 ft tall carved bear standing guard at the entrance gives this charming property its name! Big Bear is one of the few wooded rental properties built into a hillside with the advantage of natural cooling in the summer; featuring a nice backyard, the perfect spot for summer relaxation and to see Montana wildlife.

Big Bear features an open living room/dining room/kitchen area. The large open great room features a stone fireplace, desk area, 46" flat-screen TV/ DVD, and an extensive library of books, games, puzzles, and movies. Expansive picture windows and French doors open onto a private, covered porch overlooking the yard. This is a perfect spot for grilling on the gas BBQ and taking in the mountain views. The well-equipped kitchen includes fullsize appliances and a heated floor, and the adjacent dining area seats 8-10 people at the table.

The first bedroom has two twin beds. The second bedroom includes a queen bed and the third (master) bedroom has a queen bed and a TV. In addition, there is a full Murphy bed in the living room. The two bathrooms, both with heated tile floors, open from the main hallway. The first is a full bath and the second is a three-quarter bath with shower only.

Big Bear also features a washer and dryer and parking in front of the house. Guests of Big Bear can utilize the shuttle and a shared pool/hot tub. A twominute walk to the 'home again trail' accesses the base lodge, ski chairs, hiking, mountain biking, zip lining, etc.

HOME WMRL - BT06 3860 Gelande St Unit 6 Whitefish, MT 59937

ROOM TYPE: 1 bedroom BT06

One of the best values on the mountain – no detail has been overlooked in this cozy top floor condo. Bitterroot 06 is a completely remodeled Above Standard 1 bedroom, 2-bath 960 square foot condo unit facing northeast with excellent views of the mountain and close access to the slopes (walk-out, ski-in). A large picture window and sliding glass doors lead to a deck providing priceless views of Big Mountain.

Bitterroot 06 offers sleeping for six with two bathrooms and in unit full size laundry. The single large bedroom has a queen bed, a set of bunk beds, and a 24" flat screen smart TV. The nightstands flanking the queen bed each have USB charging stations for all your electronics. No need for bulky plugs, just pack your USB cords! Floating shelves with USB charging stations are also adjacent to each bed in the bunk room – everyone can charge their toys! These sleeping areas are separated by a partial wall.

There is a queen murphy bed in the living room with an accordion wall which converts the area into a second bedroom. Both bathrooms were updated in 2018 with granite countertops, tile floors and ski/mountain décor. One bathroom is a full bath and the second bathroom is a three-quarter bath with shower only.

The living room features beautiful vaulted ceilings, a new leather sleeper sofa and recliners, a stunningly upgraded gas fireplace, 43" flat screen TV with smart DVD player, sound bar and movies/games aplenty. The new leather queen sleeper sofa provides a bonus sleeping area. Luxury vinyl plank flooring was installed throughout the condo in the spring of 2021. With hard flooring throughout the condo and leather & wood furnishings, Bitterroot 6 is a safe haven for guests with allergy and asthma concerns.

The fully equipped kitchen includes stainless steel Samsung appliances, a coffee maker, and granite countertops with a beautiful slate tile backsplash. All cabinets (kitchen & bath) were updated to beautiful quarter sawn oak wood in the spring of 2021. The adjoining dining area has seating for six at the table and bonus seating at the kitchen counter. In addition, updated light fixtures have been added throughout the property, new ski/mountain décor and furnishing, and full size Samsung stacked washer/dryer. Air conditioning is available for your summer comfort.

The deck includes two all season Adirondack chairs and a gas BBQ for grilling. There is covered parking available for one vehicle.

The Bitterroot building has a large ski locker room with a designed ski locker for each condo and a shared hot tub (Closed due to Covid-19) in the complex for winter season only. Our guests of the Bitterroot building also have access to the shared pool and hot tubs at the Sherpa Building year-round. There is not an elevator in the building, so properties are only accessible via stairs.

Whitefish Mountain Resort is located a short drive from downtown Whitefish, Montana and is known for award-winning service.

Located 30 miles west of Glacier National Park, come experience the award-winning service of Whitefish Mountain Resort.

Our lodging offers a variety of accommodations and provides on-site check in, guest service staff, maintenance staff and complimentary village shuttles.

As a guest you will be busy with our variety of summer and winter activities just steps from your property. These are available to book online at book.skiwhitefish.com. Additionally, you have an opportunity to purchase discounted ski lift tickets with our reservation agents prior to your winter arrival.

Note to summer travelers: this property does not have air conditioning. While warm in the day, nights cool off significantly in the Montana mountains. We suggest keeping your windows open at night to let the cool mountain air in, and then closing them first thing in the morning, along with any blinds, to keep your property cool throughout the day.

Adapted COVID-19 cancellation policy: If a governmental agency restricts recreational travel either to- or from- Montana or the state, province or country from which the travelers reside, Whitefish Mountain Resort will issue a full refund for lodging if the effective date of the restrictions take place prior to the traveler's arrival.

It is your responsibility to know your local government's travel restrictions. If you book your lodging reservation during a time when your local government has issued travel advisories, restrictions, mandates or any other limitation on travel outside your city, county or state, your reservation is subject to Whitefish Mountain Resort's normal cancellation policy.

Commitment to Clean: The safety and well-being of our guests is our top priority. Whitefish Mountain Resort's Housekeeping Department is putting in additional hours for a new elevated cleaning, sanitizing and disinfecting standard in all of our properties for COVID-19.

An interior set of stairs links the upper level with the lower. With two, fully equipped kitchens and two living areas, there is more than enough space to spread out.

The upper kitchen comes equipped with stainless steel appliances and granite counter tops and opens to a comfortable dining area with room for up to nine guests at a beautiful split log table. The lower level eating area seats four. The upper living area features leather furniture, queen sleeper sofa, and 58" flat screen smart TV. The deck off the living area includes a gas BBQ grill.

Out of the four bedrooms, the lower room provides a king size bed 32" flat screen TV. The lower living area also provides a sleeper sofa and a 50" flat screen smart TV. The main level features a bedroom with two twin log beds. Upstairs, the remaining two bedrooms feature one king bed, full bath, 28" flat screen smart TV, and one queen bed and a 32" flat screen TV. An additional bathroom completes the upstairs.

Guests staying in Gray Wolf Den have access to an indoor and an outdoor hot tub as well as the only indoor swimming pool at the resort, all located in the Sherpa complex, about a 5-minute walk away.

Whitefish Mountain Resort is located a short drive from downtown Whitefish, Montana and is known for award-winning service.

Located 30 miles west of Glacier National Park, come experience the award-winning service of Whitefish Mountain Resort.

Our lodging offers a variety of accommodations and provides on-site check in, guest service staff, maintenance staff and complimentary village shuttles.

As a guest you will be busy with our variety of summer and winter activities just steps from your property. These are available to book online at book.skiwhitefish.com. Additionally, you have an opportunity to purchase discounted ski lift tickets with our reservation agents prior to your winter arrival.

Note to summer travelers: this property does not have air conditioning. While warm in the day, nights cool off significantly in the Montana mountains. We suggest keeping your windows open at night to let the cool mountain air in, and then closing them first thing in the morning, along with any blinds, to keep your property cool throughout the day.

Adapted COVID-19 cancellation policy: If a governmental agency restricts recreational travel either to- or from- Montana or the state, province or country from which the travelers reside, Whitefish Mountain Resort will issue a full refund for lodging if the effective date of the restrictions take place prior to the traveler's arrival.

It is your responsibility to know your local government's travel restrictions. If you book your lodging reservation during a time when your local government has issued travel advisories, restrictions, mandates or any other limitation on travel outside your city, county or state, your reservation is subject to Whitefish Mountain Resort's normal cancellation policy.

Commitment to Clean: The safety and well-being of our guests is our top priority. Whitefish Mountain Resort's Housekeeping Department is putting in additional hours for a new elevated cleaning, sanitizing and disinfecting standard in all of our properties for COVID-19.

Our lodging offers a variety of accommodations and provides on-site check in, guest service staff, maintenance staff and complimentary village shuttles.

As a guest you will be busy with our variety of summer and winter activities just steps from your property. These are available to book online at www.skiwhitefish.com. Additionally, you have an opportunity to purchase discounted ski lift tickets with our reservation agents prior to your winter arrival.

Note to summer travelers: this property does not have air conditioning. While warm in the day, nights cool off significantly in the Montana mountains. We suggest keeping your windows open at night to let the cool mountain air in, and then closing them first thing in the morning, along with any blinds, to keep your property cool throughout the day.

Adapted COVID-19 cancellation policy: If a governmental agency restricts recreational travel either to- or from- Montana or the state, province or country from which the travelers reside, Whitefish Mountain Resort will issue a full refund for lodging if the effective date of the restrictions take place prior to the traveler's arrival.

It is your responsibility to know your local government's travel restrictions. If you book your lodging reservation during a time when your local government has issued travel advisories, restrictions, mandates or any other limitation on travel outside your city, county or state, your reservation is subject to Whitefish Mountain Resort's normal cancellation policy.

HOME WMRL - TBLKD

3836 Tamarack Ave Whitefish, MT 59937

ROOM TYPE: 5 bedroom TBLKD

Triple Black Diamond is a five-bedroom, five-bath vacation home that comfortably accommodates sixteen guests. This 3,800-square-foot single-family home offers stunning views of the Whitefish Mountain Resort slopes. Positioned conveniently near the Upper Village, it's within walking distance to chairlifts, seasonal Snowbus service, and various dining options.

Upon entering the home from either the one-car garage or the front entrance on the bottom level, you'll encounter a timber-walled den with a gas fireplace and a sleeper sofa. Two sets of twin bunks line the room, providing ample sleeping space, while a 40" TV ensures entertainment for the kids. A barn wall opens to a lower-level deck facing the slopes. Additionally, there is a queen bedroom with a shared bath, complete with a jetted tub, a standing triangular shower, and granite-countered double vanity sinks.

Ascending the stairs to the main level, you'll discover an open-concept kitchen and living room sounded on two sides by floor to ceiling windows. The vaulted living room boasts a leather sectional, accent seating, a striking stone fireplace, and a 58" Smart TV. Adjacent to the living area is a bar with a mini-fridge and seating for three, as well as access to a deck. A cozy nook, bathed in natural light and offering slope views, provides a perfect spot for reading.

The kitchen features stainless steel appliances, including a farm sink, and ample granite countertops for meal preparation, along with a bar top providing seating for five. Gather around a large wooden farm table in the dining room, which comfortably seats eight. A deck off the dining area provides access to the large propane grill.

Additionally, mirroring the lower floor, the main floor includes another queen bedroom and shared bathroom with similar amenities, including a jet tub, shower, and double vanity sinks. The deck off this bedroom is also accessed by those in the living room. Lastly, a front loading washer and dryer make doing laundry a breeze on this main floor.

As you continue ascending, you'll find an additional three bedrooms. Both the Bear and Moose Bedroom feature queen beds and private baths. These bathrooms are adorned with glass-walled showers and granite countertop single vanity sinks. Additionally, this floor showcases the fishing-themed master bedroom with a king bed and a spacious closet. The ensuite bathroom features a doorless walk-in shower and a granite countertop double vanity sink.

For added comfort during warmer months, the living room is equipped with a mini-split, while temperature-controlled rooms help the group maintain various degrees of warmth in the winter.

Due to winter road conditions, we recommend guests have a car equipped with 4-wheel or All-Wheel drive.
