SKIER RESPONSIBILITY CODE

KNOW THE CODE. IT'S YOUR RESPONSIBILITY.

Skiing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

- Always stay in control, and be able to stop or avoid other people or objects.
- People ahead of you have the right of way. It is your responsibility to avoid them.
- You must not stop where you obstruct a trail, or are not visible from above.
- Whenever starting downhill or merging into a trail, look uphill and yield to others.
- Always use devices to help prevent runaway equipment.
- Observe all posted signs and warnings. Keep off closed trails and out of closed areas.

This is a partial list. Always be safety conscious. Officially endorsed by: NATIONAL SKI AREAS ASSOCIATION.

DUTIES OF SKIERS-MONTANA STATUTES

Montana statutes, particularly §§23-2-702 and 23-2-736, Montana Code Annotated, define and delineate your duties as a skier at Whitefish Mountain Resort. These statutes also identify the inherent risks of skiing and they control issues of responsibility for events that result from the inherent risks of skiing. While using the facilities at Whitefish Mountain Resort, you are expected to understand and obey these and all applicable statutes and laws. A copy of §23-2-736, Montana Code Annotated is included in the trail map and posted for your review at the Lift Plaza and the Summit. For activities other than skiing for which you use your pass, and with regard to the release and waiver stated below, the Montana Recreation Responsibility Act, Title 27, Chapter 1, Part 7, applies to your activities.
